DETAILED ACTION

Election/Restrictions

This application is in condition for allowance except for the presence of claims 27-32 directed to species that were non-elected without traverse (See Election filed on 11/27/2006). Accordingly, claims 27-32 have been cancelled.

Allowable Subject Matter

Claims 21 and 26 are allowed.

As per claims 21 and 26, specifically independent claim 21, the prior art of record fails to adequately disclose the method of controlling timed events arranged to occur during two timeframes in a week, the week comprising equal days, a total time in the timeframes being equal to a total time in the week, the method comprising the steps of:

- setting a first timeframe to begin at a first time during a first day and to end at a second time during a second day, the first timeframe including a portion of the first day that is less than a total time of the first day and a portion of the second day that is less than the second day;
- setting a second timeframe to begin just after the second time of the second day and to end just before the first time of the first day; and
- programming a controlled event to occur at a specific time of day, for each portion of day including the specific time of day, that is included within the first timeframe.
